In school training for a selected group of Key Stage 2 children to become Healthy Active Lifestyle Ambassadors.

- Providing pupils with the skills and knowledge to support and promote healthy, active lifestyles throughout your school
£160

Midday Supervisor Training

- Staff training and resources to enable schools to manage their lunchtimes and encourage more young people to be physically active
£200

Inspirational School Visits

Sporting Athlete Visit

An inspirational full-day visit from a sporting athlete who will deliver a motivational whole school assembly helping to inspire young people to achieve their best.

- Through stories the athlete will explain how their sporting journey taught them valuable life skills e.g goal setting, resilience, responsibility, determination, self-belief.
- The day will also include practical workshops for all Key Stage 2 children or could be designed to work with a targeted group of children
£500

Sports Roadshow

- Delivered in your school – we can plan and run a tailored multi-sport session. This could be based on a number of different themes including Paralympic sports, healthy lifestyles, non-traditional sports or something of your choice.
£400

Limitless Games

A half day inclusive sports event where children will challenge their assumptions, learn to respect peoples differences and explore their understanding of what they can do whilst experiencing a number of inclusive and fun sporting activities.

- Delivered by 'Limitless Games' staff
- Inspirational whole school assembly
- Rotation around a minimum of 3 different activities e.g goalball, seated volleyball, visually impaired football
- Aimed at Key Stage 2 children
£300

If there are any other services or support you would like for your school, please do not hesitate to contact us.
