

**Teacher resource**

# Scenario cards – set 4

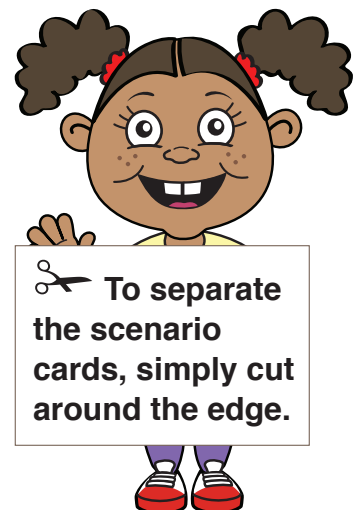

## Learning outcomes

**Pupils will:**

- > understand that some first aid situations are emergencies and some are not
- > recognise emergency situations
- > know that for emergencies, adult help is needed and 999 should be called.

 Cut around edge to separate

**1. You see a girl has fallen off her bike and is lying in the middle of the road. She is not moving or responding.**

✂ Cut around edge to separate

**6. Your older sister is using hair straighteners to straighten her hair. She picks them up by the hot part and cries out in pain.**

✂ To separate the scenario cards, simply cut around the edge.
