

End of Key Stage One and Two Expectations in Physical Education

Developing well-balanced children ready for the 21st Century.

HEAD (thinking) - HANDS (doing) - HEART (behavioural change)

Physical Education is the perfect vehicle through which to develop the crucial skills and attributes required for the modern world. Effective delivery of the National Curriculum Expectations will ensure that children develop into thinking physical beings and doing physical beings which impact on the behavioural change to equip them for lifelong participation. Using the concept of Head (thinking) Hands (doing) and Heart (behavioural change) this poster is designed to support primary teachers to assess their children at the end of Key Stages One and Two. Most should be well **established** within the end of Key Stage Attainment Target, a few will still be **emerging** and a few will be **exceeding** it.

N.B. The font in italics is additional to the end of Key Stage One Attainment Target but some children will be able to achieve this.
