Activity 2 - Blending

For a healthy smoothie to count as 1 of your five a day it needs to contain 150ml of fruit or vegetable juice.

Working in a team make your own smoothie from the fruit juices on offer. You will need to choose 3 to mix together, and you can decide how much of each you wish to add to make up your 150ml. Give your smoothie a name and score your new drink out of 10 to decide if it's a winner!

Which 3 juices have you chosen for your smoothie?
