

Waste & Recycling Audit

Do you know what your weekly waste looks like? Are you recycling and composting everything you can?

Could you reduce your waste in other ways?

Over a week, keep track of what you are putting in your bin from different rooms at home.

Waste & Recycling Audit

Think about the changes you will make to reduce your waste based on what you found out over the week.
What changes could you make that which could have a big impact?

	I will recycle	Buy less	Buy an alternative	I will compost	Other
